

I go on holiday with 	We usually go abroad 	In winter we always 	I would like to 	I like to sunbathe by the pool 	There were cockroaches in the hotel 	We danced in the club 	The hotel was near to the beach 	I like to relax 	My dad drank lots of beer 	In Summer, we go to the coast 	I have never eaten 	The lamp was broken 	He is going to go canoing 	She has forgotten her 
-----------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------

I always eat lots of 	We stayed in a hotel 	I would love to 	My sister got stung by a 	We saw a flamenco show 	Youth hostels are cheaper 	I love water sports 	I did not have a good time 	The room was dirty 	It is too hot in summer 	The shower did not work 	I prefer to go with my friends 	We go to the countryside 	I am going to travel by 	We always travel by 
-----------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------

I love the holidays 	I sent postcards to my friends 	We stayed in a 	Last month I was in Spain 	The beaches were crowded 	The lift did not work 	Next year 	There were no towels 	My dad got sunburnt 	I took lots of photos 	We swam in the lake 	I lost my suitcase 	I will go on a school exchange 	We travel by 	I did not like 
----------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------

We had a picnic in the forest 	I often read on the beach 	I lost my wallet 	If the weather is good 	The waiter was rude 	There is a big pool 	I prefer going to the 	We had a barbecue 	We stay in a chalet 	In our hotel there was a 	I am going to spend a week in 	The receptionist was rude 	I will go to Paris next month 	We rented bikes 	The roast lamb was delicious 
----------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------

I prefer to visit cities 	The weather was terrible 	We are going to go on a coach trip 	We visit monuments 	The hotel was far away 	There was no soap 	We visited a theme park 	I went camping 	We ate in a restaurant 	We hired a car 	I have always wanted to visit 	We made new friends 	There is a beautiful view 	There will be fireworks 	I will spend Easter in Seville
